4 "SECTION 124. IC 27-8-10-2.1 IS AMENDED TO READ AS  
5 FOLLOWS [EFFECTIVE AUGUST 1, 2002]: Sec. 2.1. (a) There is  
6 established a nonprofit legal entity to be referred to as the Indiana  
7 comprehensive health insurance association, which must assure that  
8 health insurance is made available throughout the year to each eligible  
9 Indiana resident applying to the association for coverage. All carriers,  
10 health maintenance organizations, limited service health maintenance  
11 organizations, and self-insurers providing health insurance or health  
12 care services in Indiana must be members of the association. The  
13 association shall operate under a plan of operation established and  
14 approved under subsection (c) and shall exercise its powers through a  
15 board of directors established under this section.

16 (b) The board of directors of the association consists of seven (7)  
17 members whose principal residence is in Indiana selected as follows:

18 (1) Three (3) members to be appointed by the commissioner from  
19 the members of the association, one (1) of which must be a  
20 representative of a health maintenance organization.

21 (2) Two (2) members to be appointed by the commissioner shall  
22 be consumers representing policyholders.

23 (3) Two (2) members shall be the state budget director or  
24 designee and the commissioner of the department of insurance or  
25 designee.

26 The commissioner shall appoint the chairman of the board, and the  
27 board shall elect a secretary from its membership. The term of office  
28 of each appointed member is three (3) years, subject to eligibility for  
29 reappointment. Members of the board who are not state employees may  
30 be reimbursed from the association's funds for expenses incurred in  
31 attending meetings. The board shall meet at least semiannually, with  
32 the first meeting to be held not later than May 15 of each year.

33 (c) The association shall submit to the commissioner a plan of  
34 operation for the association and any amendments to the plan necessary  
35 or suitable to assure the fair, reasonable, and equitable administration  
36 of the association. The plan of operation becomes effective upon  
37 approval in writing by the commissioner consistent with the date on  
38 which the coverage under this chapter must be made available. The  
39 commissioner shall, after notice and hearing, approve the plan of  
40 operation if the plan is determined to be suitable to assure the fair,  
41 reasonable, and equitable administration of the association and  
42 provides for the sharing of association losses on an equitable,  
43 proportionate basis among the member carriers, health maintenance  
44 organizations, limited service health maintenance organizations, and  
45 self-insurers. If the association fails to submit a suitable plan of  
46 operation within one hundred eighty (180) days after the appointment  
47 of the board of directors, or at any time thereafter the association fails

to submit suitable amendments to the plan, the commissioner shall adopt rules under IC 4-22-2 necessary or advisable to implement this section. These rules are effective until modified by the commissioner or superseded by a plan submitted by the association and approved by the commissioner. The plan of operation must:

- (1) establish procedures for the handling and accounting of assets and money of the association;
- (2) establish the amount and method of reimbursing members of the board;
- (3) establish regular times and places for meetings of the board of directors;
- (4) establish procedures for records to be kept of all financial transactions, and for the annual fiscal reporting to the commissioner;
- (5) establish procedures whereby selections for the board of directors will be made and submitted to the commissioner for approval;
- (6) contain additional provisions necessary or proper for the execution of the powers and duties of the association; and
- (7) establish procedures for the periodic advertising of the general availability of the health insurance coverages from the association.

(d) The plan of operation may provide that any of the powers and duties of the association be delegated to a person who will perform functions similar to those of this association. A delegation under this section takes effect only with the approval of both the board of directors and the commissioner. The commissioner may not approve a delegation unless the protections afforded to the insured are substantially equivalent to or greater than those provided under this chapter.

(e) The association has the general powers and authority enumerated by this subsection in accordance with the plan of operation approved by the commissioner under subsection (c). The association has the general powers and authority granted under the laws of Indiana to carriers licensed to transact the kinds of health care services or health insurance described in section 1 of this chapter and also has the specific authority to do the following:

- (1) Enter into contracts as are necessary or proper to carry out this chapter, subject to the approval of the commissioner.
- (2) Sue or be sued, including taking any legal actions necessary or proper for recovery of any assessments for, on behalf of, or against participating carriers.
- (3) Take legal action necessary to avoid the payment of improper claims against the association or the coverage provided by or through the association.
- (4) Establish a medical review committee to determine the reasonably appropriate level and extent of health care services in

each instance.

(5) Establish appropriate rates, scales of rates, rate classifications and rating adjustments, such rates not to be unreasonable in relation to the coverage provided and the reasonable operational expenses of the association.

(6) Pool risks among members.

(7) Issue policies of insurance on an indemnity or provision of service basis providing the coverage required by this chapter.

(8) Administer separate pools, separate accounts, or other plans or arrangements considered appropriate for separate members or groups of members.

(9) Operate and administer any combination of plans, pools, or other mechanisms considered appropriate to best accomplish the fair and equitable operation of the association.

(10) Appoint from among members appropriate legal, actuarial, and other committees as necessary to provide technical assistance in the operation of the association, policy and other contract design, and any other function within the authority of the association.

(11) Hire an independent consultant.

(12) Develop a method of advising applicants of the availability of other coverages outside the association and may promulgate a list of health conditions the existence of which would deem an applicant eligible without demonstrating a rejection of coverage by one (1) carrier.

(13) Provide for the use of managed care plans for insureds, including the use of:

(A) health maintenance organizations; and

(B) preferred provider plans.

(14) Solicit bids directly from providers for coverage under this chapter.

(f) Rates for coverages issued by the association may not be unreasonable in relation to the benefits provided, the risk experience, and the reasonable expenses of providing the coverage. Separate scales of premium rates based on age apply for individual risks. Premium rates must take into consideration the extra morbidity and administration expenses, if any, for risks insured in the association. The rates for a given classification may not be more than one hundred fifty percent (150%) of the average premium rate for that class charged by the five (5) carriers with the largest premium volume in the state during the preceding calendar year. In determining the average rate of the five (5) largest carriers, the rates charged by the carriers shall be actuarially adjusted to determine the rate that would have been charged for benefits identical to those issued by the association. All rates adopted by the association must be submitted to the commissioner for approval.

(g) Following the close of the association's fiscal year, the association shall determine:

- (1) the net premiums;
- (2) the expenses of administration;
- (3) **the amount deposited in the comprehensive health insurance coverage fund established in IC 27-8-10-2.2;** and
- (4) the incurred losses for the year.

Any net loss shall be assessed by the association to all members in proportion to their respective shares of total health insurance premiums, excluding premiums for Medicaid contracts with the state of Indiana, received in Indiana during the calendar year (or with paid losses in the year) coinciding with or ending during the fiscal year of the association or any other equitable basis as may be provided in the plan of operation. For self-insurers, health maintenance organizations, and limited service health maintenance organizations that are members of the association, the proportionate share of losses must be determined through the application of an equitable formula based upon claims paid, excluding claims for Medicaid contracts with the state of Indiana, or the value of services provided. In sharing losses, the association may abate or defer in any part the assessment of a member, if, in the opinion of the board, payment of the assessment would endanger the ability of the member to fulfill its contractual obligations. The association may also provide for interim assessments against members of the association if necessary to assure the financial capability of the association to meet the incurred or estimated claims expenses or operating expenses of the association until the association's next fiscal year is completed. Net gains, if any, must be held at interest to offset future losses or allocated to reduce future premiums. Assessments must be determined by the board members specified in subsection (b)(1), subject to final approval by the commissioner.

(h) The association shall conduct periodic audits to assure the general accuracy of the financial data submitted to the association, and the association shall have an annual audit of its operations by an independent certified public accountant.

(i) The association is subject to examination by the department of insurance under IC 27-1-3.1. The board of directors shall submit, not later than March 30 of each year, a financial report for the preceding calendar year in a form approved by the commissioner.

(j) All policy forms issued by the association must conform in substance to prototype forms developed by the association, must in all other respects conform to the requirements of this chapter, and must be filed with and approved by the commissioner before their use.

(k) The association may not issue an association policy to any individual who, on the effective date of the coverage applied for, does not meet the eligibility requirements of section 5.1 of this chapter.

(l) The association shall pay an agent's referral fee of twenty-five dollars (\$25) to each insurance agent who refers an applicant to the association if that applicant is accepted.

(m) The association and the premium collected by the association

1 shall be exempt from the premium tax, the gross income tax, the  
 2 adjusted gross income tax, supplemental corporate net income, or any  
 3 combination of these, or similar taxes upon revenues or income that  
 4 may be imposed by the state.

5 (n) Members who after July 1, 1983, during any calendar year, have  
 6 paid one (1) or more assessments levied under this chapter may either:

7 (1) take a credit against premium taxes, gross income taxes,  
 8 adjusted gross income taxes, supplemental corporate net income  
 9 taxes, or any combination of these, or similar taxes upon revenues  
 10 or income of member insurers that may be imposed by the state,  
 11 up to the amount of the taxes due for each calendar year in which  
 12 the assessments were paid and for succeeding years until the  
 13 aggregate of those assessments have been offset by either credits  
 14 against those taxes or refunds from the association; or

15 (2) any member insurer may include in the rates for premiums  
 16 charged for insurance policies to which this chapter applies  
 17 amounts sufficient to recoup a sum equal to the amounts paid to  
 18 the association by the member less any amounts returned to the  
 19 member insurer by the association, and the rates shall not be  
 20 deemed excessive by virtue of including an amount reasonably  
 21 calculated to recoup assessments paid by the member.

22 (o) The association shall provide for the option of monthly  
 23 collection of premiums.

24 SECTION 125. IC 27-8-10-2.2 IS ADDED TO THE INDIANA  
 25 CODE AS A NEW SECTION TO READ AS FOLLOWS  
 26 [EFFECTIVE AUGUST 1, 2002]: **Sec. 2.2. (a) The comprehensive**  
 27 **health insurance coverage fund is established for the purpose of**  
 28 **paying the costs of providing coverage under association policies**  
 29 **(as defined in section 1 of this chapter) that exceed premiums**  
 30 **collected by the association. The fund shall be administered by the**  
 31 **association.**

32 (b) The expenses of administering the fund shall be paid from  
 33 money in the fund.

34 (c) The treasurer of state shall invest the money in the fund not  
 35 currently needed to meet the obligations of the fund in the same  
 36 manner as other public money may be invested.

37 (d) Money in the fund at the end of a state fiscal year does not

- 1     **revert to the state general fund.**
- 2     **(e) This section expires August 1, 2006."**
- 3     Renumber all SECTIONS consecutively.
